TRANSFER OF OWNERSHIP - AUTHORISATION FORM

RE:.....

Please complete this form at the time of sale and pass it to the new Owner WITH THE REGISTRATION CERTIFICATE and PASSPORT to enable them to register the horse in their name (except in the case of an export when only the Registration Certificate and this form must be sent to Agriculture House). In the event of joint ownership BOTH SIGNATURES are required. Please do **NOT** write on the Registration Certificate. Return this to: Agriculture House, Charnham Lane, Hungerford, Berkshire RG17 0EY with correct fee within 30 days of purchase. * In the case of an in-foal mare, please indicate whether the new owner or the previous owner (i.e. mare owner at the time of covering) is to be recorded as the breeder of the foal. The current protocol in UK is the mare owner at the time of foaling is named as the breeder.

Check List

under the Horse Passport Regulations of 2009, the buyer must notify the transfer of ownership to the Passport Issuing Organisation for registration of new ownership within 30 days of purchase of the animal.

Ensure you have the correct documents for your horse **which should include Passport, Registration Certificate and fully completed transfer of ownership form.**

If the horse has been gelded since registration/last transfer of ownership, please enclose a veterinary report of gelding in order to update our records.

Do you have the signature of the last registered owner/s? The transfer cannot be completed without this.

If transfer is not being completed in 2018 please check with the office/web site for current fees. If you would like your documents returned by guaranteed post please add an extra £7.50.

Have you completed your details **CLEARLY** on the transfer form

If you wish to pay by Credit/Debit card please include your telephone number for us to contact you to take payment.

Please note by signing the transfer of ownership form, I understand that the horse may be exported within the EEA or wider geographic area. I confirm that the AHS may transfer the relevant information to the importing registry and understand that some countries outside the EEA do not have the same level of data protection as those in the EEA.
